**EMERGENCY**

You need not worry in the event of any type of disaster or threats that may cause disruption to the Credit Union because CFECU is prepared and your money is safe. Your deposit accounts are NCUA (National Credit Union Administration) insured up to \$100,000 per depositor. If you retain over \$100,000 with the Credit Union, please pick up a brochure at Calcasieu Federal Employees Credit Union, 519 Kirby Street, Lake Charles, Louisiana, to determine how there are ways to still have all your deposit accounts insured.

If an emergency or disaster does occur, *depending on the type of disaster*, we may not be in full service right away. But, rest assured, all direct deposits, and other savings/withdrawals will be posted in a timely fashion. We also will have wire transfer capabilities and will work with you on any and all of your emergency needs. For your convenience, you can cut out the "CFECU Member Emergency Card" below or pick up a laminated wallet card at the Credit Union office.
